

# TRADE GRADE PRODUCTS LTD

## MATERIAL SAFETY DATA SHEET

### **1. Identification of the substance / preparation and company.**

Product name	COV RES Part A
Supplier	Trade Grade Products Limited
Address	2 Thorne Way Woolsbridge Industrial Park Three Legged Cross Wimborne Dorset BH21 6FB
Emergency telephone number	01202 820177

### **2. Composition / Information on Ingredients.**

Preparation description                      Description

Dangerous components / constituents

<u>CAS / Registry no.</u>	<u>Material description</u>	<u>% Content</u>	<u>Health (class)</u>	<u>Risk (R No.)</u>
None				

### **3. Hazards Identification.**

Hazard warning not required.

### **4. First Aid Measures.**

Inhalation	Remove the victim into fresh air. Unconscious - maintain adequate airway and respiration. Consult a doctor/medical service if breathing problems develop.
Skin	Wash immediately with lots of water and soap for 15 minutes. Consult a doctor / medical service if irritation persists.
Eye	Rinse immediately with plenty of water for 15 minutes. Do not apply neutralising agents. Consult a doctor/medical service if irritation persists.
Ingestion	Never give water to an unconscious person. Consult a doctor/medical service if feeling unwell. DO NOT induce vomiting.

### **5. Fire-fighting Measures.**

Specific hazards	Fumes evolved in a fire will be mainly oxides of carbon.
Extinguishing media	Carbon dioxide, dry chemical powder, sand. DO NOT use water extinguisher.
Protective equipment	Compressed air/oxygen apparatus.

**6. Accidental Release Measures.**

Environmental precautions	Substance must not be discharged into the sewer.
Clean up method	Absorb liquid spill in non-combustible material, such as, sand, earth or vermiculite. Place absorbed substance into closing containers. Carefully collect the spill / leftovers. Damaged / cooled tanks must be emptied. Do not use compressed air for pumping over spills. Take collected spill to manufacturer / competent authority. Clean contaminated surfaces with a soap solution.

**7. Handling and Storage.**

Handling	Observe very strict hygiene - avoid contact. Do not discharge the waste into the drain. Remove contaminated clothing immediately. Clean contaminated clothing.
Storage	Keep container tightly closed. Store in a cool area, ventilate at floor level. No special measures against fire or explosion are required.

**8. Exposure Controls / Personal Protection.**

No labelling is required for this material by the classification Packaging and Labelling of Dangerous Substances Regulations 1984 and corresponding EEC directives.

Respiratory protection	Required in inadequately ventilated workplaces.
Hand protection	Gloves.
Eye protection	Face shield or goggles.
Body protection	Protective clothing.

**9. Physical and Chemical Properties.**

Physical state	Off white paste
Odour	Nearly odourless
Specific gravity	1.18 – 1.3 @ 20°C
Flashpoint	Above 200°C
Solubility	Miscible with water.
Viscosity	2000 – 3500 cps @ 20°C
Percentage Non-volatiles	Above 98%

**10. Stability and Reactivity.**

Stability	Stable when stored and handled in accordance with the manufacturers recommendations.
Conditions to avoid	Heat and ignition sources.
Hazardous decomposition products	None detected up to 200°C

**11. Toxicological Information.**

Oral	Ingestion of small amounts should not cause any serious long term problems.
Dermal	Not known.

**12. Ecological Information.**

Persistence / Degradability Expected to biodegrade.

Aquatic toxicity Not known.

**13. Disposal Consideration.**

Local legislation Landfill or incinerate at an approved site in accordance with national and local regulations. Incinerate under surveillance. Do not discharge into drains, sewers or waterways.

**14. Transport Information.**

Not classified as dangerous for carriage. Keep separate from foodstuffs.

**15. Regulatory Information.**

No labelling is required for this material by the classification Packaging and Labelling of Dangerous Substances Regulations 1984 and corresponding EEC directives.

Regulatory references CHIP Regulations 1996  
Health and Safety at Work Act 1974  
COSHH Regulations 1994

**16. Other Information.**

Other information This adhesive should be used in accordance with the supplier's recommendations.

The information provided in this data sheet is based on our current knowledge of the product and is intended to describe it for the purpose of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
